**Maynard Holbrook Jackson High School  
International Baccalaureate Diploma Program  
Registration Form**

The **International Baccalaureate Diploma Programme (IBDP)** is a two-year educational program that provides an internationally accepted qualification for entry into higher education and is recognized by many universities worldwide. IBDP students complete assessments in six subjects (usually during their senior year), and are required to complete an Extended Essay (EE), a Theory of Knowledge (TOK) class, and a Creativity, Activity, and Service (CAS) requirement. Many experts agree that the IBDP best prepares students for success in college and career, and best produces today's most active, industrious, and well-rounded citizens.

*In order to qualify for Jackson's IBDP, students must have (1) passed Algebra I, Geometry, and Algebra II prior to 11<sup>th</sup> grade, (2) passed two consecutive years of Chinese, French, or Spanish in ninth and tenth grade, and (3) have maintained an overall GPA of at least 3.0 prior to eleventh grade. More information about the IBDP at Jackson can be found on the MJHS IB Website: <http://maynardjacksonib.wix.com/mjhsib>*
